

Town of Becket
Lower Bonny Rigg Hill Rd Closure

Effective Monday, November 21st at 7:00 AM the lower portion of Bonny Rigg Hill Road will be closed to traffic from just below Hiawatha Hill to the intersection with Route 20 for the replacement of the Walker Brook culvert crossing the road. This road closure is estimated to be in effect through Saturday, December 24th at 5:00 PM. The replacement of this culvert has been required by an enforcement order issued to the Town of Becket by the US Army Corps of Engineers. Quarry Road is the preferred detour route for cars. Tractor trailer traffic should use Algeria Road to Route 23 East to Route 20 and Algeria Road to Route 23 West to Route 8 North to Route 20.

We apologize for any inconvenience during the construction time for this project.
