Becket Open Space and Recreation Committee  
Town Hall  
557 Main St.  
Becket, MA 01223

Dear Ms. Furlong:

I have reviewed the *Becket Open Space and Recreation Plan* and would like to commend you and your fellow committee members for the work that you have done to update the 1998 plan. The update plan is consistent with the goals of the *Regional Plan for the Berkshires*.

In reviewing the final draft, I feel that the plan summarizes the resources of the town and the needs of its citizens. I also appears to respond to the comments submitted by the Division of Conservation Services in its letter of February 9, 2007. Once again, the Becket Open Space and Recreation Committee should be commended for developing the plan and for the consideration that it has shown towards the needs of its residents and neighbors.

Congratulations on a job well done. I encourage you now to focus your attentions to implementing the actions that you have developed. If BRPC can be of any assistance, please do not hesitate to contact me.

Sincerely,

Lauren L. Gaherty, Senior Planner
