

BECKET CITIZENS:

*The Town of Becket
wants to hear from
you!*

**You are cordially invited to attend a
Becket Community Forum
Thursday, June 22nd, 6:30 pm
Becket Town Hall**

The Town of Becket is updating its Open Space and Recreation Plan, and you are invited to attend a Community Forum to help identify community needs and desires regarding future development, open space protection and recreational improvements.

Becket is evolving, and town officials need to revisit the goals and objectives of the outdated Open Space Plan and modify them to meet your needs. They can only do this with your help and guidance. So, join us June 22nd.
