

Parks and Recreation Committee Meeting

May 20, 2020

Present: Rita Furlong, William Caldwell, Town Administrator, and Maddy Elovirta

Absent: Tina Levasseur

The meeting was called to order at 1:25 PM at the Becket Center Town Park Pavilion.

Minutes of the 1-3-2020 meeting were accepted as presented.

The purchase of signage for the porta pottie area at the town beach were discussed. Maddy will get the signs made and post.

The placing of a porta pottie down at the North Becket Park was discussed. Rita will see to that.

There will be no Day Camp at the park pavilion this year.

Life guards and gate attendants were discussed.

Rita has initiated paperwork to build a pavilion at the North Becket Park. The pavilion will be a 20' x 20' covered pavilion. Maddy will check with Eversource on getting electricity to the site.

It was agreed to purchase mulch for the town gardens, look to see if we have a new tether ball in stock as well as a net for the volley ball court. (Tether ball and netting were found in the pavilion.)

Chain and a padlock will be purchased for the dock at the town beach during off season so that it cannot be pushed back into the lake and free float. This has been a problem for some time.

Maddy will take care of the purchase.

Meeting adjourned at 2:30 PM.
